Discussion

On November 27, 2002, at 1500 pm, D Parsons received an email from the State (D Kruchek) obtaining Type 1 Facility RLCR concurrence for facilities B223, T371A, T371C, T371F and T760A. Although there are still RLCR data issues to resolve with facilities 112, 367, 553, T371D and T371E, D Kruchek gave CDPHE RLCR concurrence for facilities B223, T371A, T371C, T371F and T760A. These facilities (i.e., B223, T371A, T371C, T371F and T760A) can either be demolished or sold. RLCR data issues with facilities 112, 367, 553, T371D and T371E still need to be resolved with CDPHE and concurrence obtained prior to demolition or sale. There was an error with the T371F radiological data summary, this error has been corrected a revised T371F radiological data summary page has been provided to D Kruchek.
